Masks at KinderGym

The Management Committee, in conjunction with our staff, have decided that masks will still be mandatory at Burnside KinderGym.

We're sure you'll agree it's a small inconvenience to not only help keep our little ones safe, but also to do what we can to keep our staff well so our KinderGym can stay open.

Masks exemptions still will need to be shown to Andrea – thank you for your understanding.

Thank you wonderful volunteers!

Did you know that Burnside KinderGym is run by a Volunteer Committee? June 13 is Volunteers Day in SA, a day to celebrate people who give up their own time to help others.

I'm sure you'll join us in saying thank you to these amazing people who help keep this wonderful club running for our children.

More Important News

A Message from Andrea

Come over to the desk and say hello to me when you arrive – this means your name is checked off which is important to keep track of your attendance and should we ever have an evacuation!

Foodbank at KinderGym

As a not for profit organisation we know how hard it can be to raise funds so desperately needed for all sorts of projects and ongoing costs.

Once again this year we have a collection basket for Foodbank at the KinderGym and ask you donate a can when you can. You can also use this as a discussion tool with your children, as it's a very tangible way of giving to those in need.

Make up Sessions

It is very important to book your make up sessions – especially on Saturdays when a lot of families wish to do make up sessions. The safety of all our members is of the utmost importance, so please just give Andrea a quick call before you come in to check there is availability.

Car Park

To ensure a more pleasant experience for everyone, please do not wait for a car park by parking in the NO STANDING zone at the end of the car park.

KinderGym Matters

- Bare feet are best for safety and sensory experience
- Shorts/Pants or Leggings are a good choice – Skirts, dresses and tights are not the best KinderGym wear
- We are a food free zone
- Should you choose not to take part in Group time please play quietly with your child and respect those children and caregivers that do
- Please remember that the safety of your child is your responsibility so stay within an arm's length at all times.
- Have as much fun as you can 😊
